

A global approach with an eye on innovation is what equips Redkhas House of cotton Pvt. Ltd for success. With growth, both horizontal and vertical, being the everyday way of life, the Group has embarked on a journey to become one of India's leading terry towel manufacturing companies.

Achieving a compound annual growth rate of over 40%, we are rated as one of the fastest growing companies of the country. Today, RHC has a total turnover in excess of US \$ 45 millions.

Constantly exploring new avenues, today we are the leading manufacturer of terry towels in India.

RHC is an ISO 9001:2000 company certified by BSI, accredited by UKAS & RVA. Redkhas House of cotton Pvt. Ltd is also HSE company and it is certified for OHSAS: 18001-1999 & ISO 14001:1996 by BVQI, India. The manufacturing facilities of RHC are spread over an area covering 150,000 Sq. Ft. The works are situated at Margao, Goa India..

The company has invested an amount of nearly US\$ 12 million in its modern manufacturing plant, employing a team of about 900 qualified, experienced, dedicated skilled and unskilled workers. The products are being regularly inspected and certified by reputed international inspection agencies, such as Bureau Veritas Industrial Services Pvt. Ltd. (BVIS), SGS and Bureau of Indian Standards.

Mission

We are committed to satisfy our customers by providing Quality Product which gives highest value for money.

We believe that employees are our most important asset through which we can reach the top in each category of our product and services. Therefore, we will emphasize on their continuous improvement through upgradation of relevant knowledge and training.

We commit ourselves to continuous growth, so as to fulfil the aspirations of our customers, employees and shareholders.

Committed to Quality

We don't just manufacture products, we create satisfaction. RHC has deployed extensive resources to ensure the optimum quality of its products. The reiterative tests, the microscopic adherence to quality and inspection, all ensures that all RHC products are of world-class quality. We treat each and every product as a challenge, and every achievement a reason to set new goals.

**“Coming Together is a Beginning. Keeping Together is Progress.
Working Together is Success.”**
